#### **Noah and the amazing BIG boat!**

#### **Moses and the Red Sea!**

Building the pyramids must have been a lot of work. But the parting of the waters—WOW! Let's build a pyramid and walk through the waters.

#### **Joshua and the Wall of Jericho!**

You can huff, you can puff, and you can blow as hard as you want, but this wall is NOT going to fall. It was huge, it was tall, it would never fall! But God is that BIG! Come and help us knock over Jericho again!
